

Teaching & Technology Workshops

Open to all faculty, post-docs, and grad students

Spring 2013 Schedule

CENTER FOR
RESEARCH ON
TEACHING
EXCELLENCE
AT UC MERCED

Date	Workshop	Description
Tue, 2/5 10-11:00am Webinar	Teaching with Open Educational Resources (OER)	OER are documents, media, software and processes that are free, reusable and without copyright restrictions. Using OER can save your students money and help you create customized learning resources. <i>Join us for this webinar: http://goo.gl/TjoeS</i> (use Guest account).
Wed, 2/13 11am-1pm KL 260	Mobile App Learning Lounge (MALL)	Mobile apps for smartphones and tablets are changing how we learn, work, and play. Come and join us for this social event, as we learn and explore together various mobile apps and their potential benefits.
Wed, 2/20, 11am-12 pm KL 260	Effective Scientific Presentations	This workshop will show you how to make effective and engaging scientific presentations to colleagues and students.
Wed, 3/13, 11am-1pm KL 260	Mobile App Learning Lounge (MALL)	Mobile apps for smartphones and tablets are changing how we learn, work, and play. Come and join us for this social event, as we learn and explore together various mobile apps and their potential benefits.
Tue, 4/9, 10am-11am Webinar	Collaborative Environments for Research, Teaching, and Learning	This session will cover the tools needed for creating a virtual environment of your own and present some successful examples of "collaboratory" virtual environments for researchers to share their findings online. <i>Join us for this webinar: http://goo.gl/TjoeS</i> (use Guest account).
